In order to assess the appropriateness of your home and lifestyle for the adoption of a Leonberger, please answer the following questions. The information you provide on this application will be held in confidence. Please answer all questions as completely and honestly as possible; the more information you provide, the better match we can make for you. If you do not provide a telephone number, your application will be discarded. PLEASE - write legibly!

A rescue dog is not just a cheap dog. Often, rescue dogs are wonderful pets caught in a bad situation at home such as a job transfer to a location where the pet cannot be kept or a divorce where neither person can keep the dog. But just as often, a rescue dog is a problem dog. Sometimes, people place their dog into rescue because they cannot deal with the dog's personality (not housebroken, not socialized) or physical traits (too big, too hairy, etc.). While we will fully investigate each and every Leonberger available for adoption, know and understand that with rescue, there are no guarantees. **Adoption donations vary. Young puppies are adopted with a s/n contract and refundable deposit. Other refundable deposits may apply in other cases. For additional information, please contact the regional representative nearest you.**

THANK YOU for taking the time to complete this application. We recognize that some of the questions are personal and invasive but such questions are in the best interest of the dog in need of placement so that an appropriate home can be found quickly and for the life of the dog. We will keep your application on file and contact you as soon as an appropriate placement becomes available.

Sincere-Leo, the Leonberger Rescue team
